# ABOUT THE COURSE

## *A course that gives the knowledge to make a difference*

Our course has been recently updated to help you learn more about retirement planning so you can live comfortably. The course was developed to give you the tools necessary to make the best decisions possible regarding your future financial position and retirement.

By the end of the session, you will be able to access the costs of retirement and determine all sources of income you will have or potentially may need. You will also learn to improve your investment potential, access your risk tolerance accordingly, and determine the correct approach for estate planning. Inflation is a concern of all investors and this course will help you with any corrective action, all while avoiding unnecessary taxes. Long-term-care expenses can be financially devastating to any family or individual, so the course teaches best practices to minimize extreme costs.

You will use real-life examples, case studies and exercises in the course to help aid in the decision making process. This will allow you to discover how to appropriately take control and position yourself for a successful financial future.

### **THE EDUCATIONAL LEARNING EXPERIENCE WILL DELIVER:**

- Situation based, time-tested financial principles and strategies.
- The most recent facts and figures on planning for retirement.
- Clear, concise and easy to understand visual aids and take-home handouts.
- Homework to reinforce your personal financial goals.
- Concepts that will expand your knowledge base to enable better decision making.

### **COURSE WORKBOOK FACTS:**

- Workbook is included in the course.
- Workbook is 145 pages of financial tools for success.
- Workbook follows the presentation.
- Workbook is a take-home piece that will serve as a reference for future planning.

### **PERSONAL ONE-ON-ONE CONSULTATION WITH A PROFESSIONAL:**

- As a participant you will have the opportunity to privately review your situation.
- In the consultation you will be able to ask questions directly associated to your needs.
- You will also have the advantage of working with an instructor on goal-setting and planning.

**What options  
are available to  
lock in my recent  
investment gains?**

### **FACT:**

For Americans aged 65 and older with more than \$49,366 in annual income, 63% of total retirement income comes from personal savings and investments, pensions, and continued earnings.

# ADULT EDUCATION: FIVE REASONS TO ATTEND THIS COURSE

You have to admit, we spend a good portion of our adult lives thinking about and making decisions financial in nature. Have you received any formal financial training or education, in school or otherwise? Continuing education on this subject is one of the most popular sought by adults and now it is all in one easy course.

We all want or need to make money and we spend the majority of our lives doing so, however, we don't think about what we are going to do with that money, how it is best used and how it can be stretched the farthest.

## FIVE REASONS TO ATTEND THIS COURSE:

1. You'll learn to **steer clear of stumbling blocks** holding you back from retirement — such as taxes, inflation, lack of knowledge, poor planning, and failure to take action.
2. Acquire **professional information** — regarding financial strategies for your specific situation. Instill confidence in future decision making by learning all of your options.
3. Clear, concise and realistic **goal setting** using a step-by-step proven process based on your retirement needs, risk tolerance and length of expected retirement.
4. Do you procrastinate? Don't we all...this course will help guide you to **taking action**. Once the course is complete, you'll be properly prepared to **improve your financial strengths immediately**.
5. This same seminar is prepared across the country by financial professionals, because it has a proven track record of positive results. Your instructor is among the top financial professionals in your area and has been chosen for this course based on experience in practical — real-life matters. His experience stems from years of being in practice in the private sector working with hundreds of clients with all levels of net worth. **Course instructor is: James P. Agrawal, M.B.A., C.F.P.®, M.S.F.S., of J. Agrawal Financial Group([www.jagralfinancialgroup.com](http://www.jagralfinancialgroup.com))**. Jim has 36 years of experience in the Hudson Valley region. Jim is a Certified Financial Planner™ and Investment Advisor Representative offering Securities and Investment Advisory Services through Woodbury Financial Services, Inc. Member FINRA, SIPC and Registered Investment Advisor. Mr. Agrawal's office is located at 22 IBM Road, Suite 204-B, Poughkeepsie, NY 12601. Neither Woodbury Financial Services, Inc. nor its representatives offer tax or legal advice. J. Agrawal Financial Group and Woodbury Financial Services, Inc. are not affiliated entities. For assistance with these matters, please consult your tax or legal advisor. **Also speaking is Ellen Baker, Esq. of McCabe & Mack, LLP, with an office in Poughkeepsie, NY.**

Every great event has sponsors and those underwriting this course are: Allianz Life of NY, Jackson National Life Insurance Company of NY, MFS Investment Management, Nationwide Financial, and Fidelity Investments.

**How long can  
this historic  
Bull Market last?**

## FACT:

Less than 16% of retirees said they will have enough money to pay for long-term care, such as nursing home or home care, should you need it during your retirement.
